

**Perimetric wood sanding  
machine with dual  
counter-rotating head.**

# MiniTimba

Perimetric wood sanding machine with dual counter-rotating head.

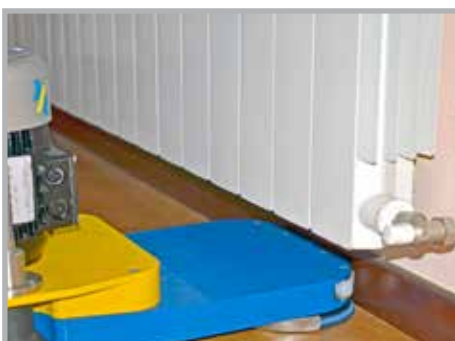

**Goodbye back pain!**

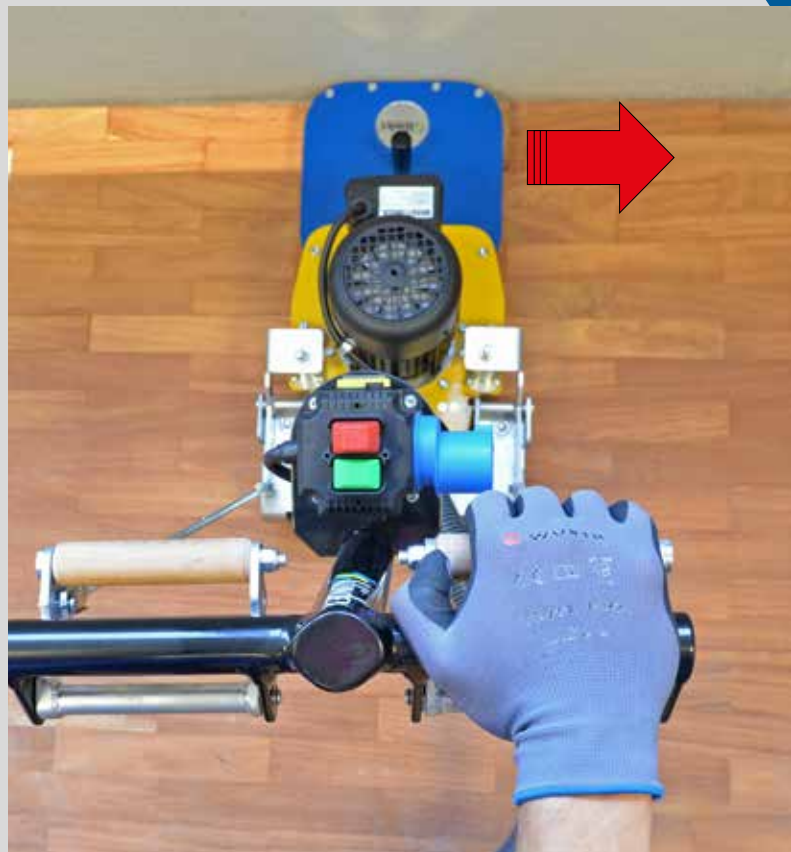

Compact and powerful dual counter-rotating head sanding machine. It quickly levels very close to the wall, thanks to the two counter-rotating heads which are perfectly balanced, Minitimba is easy to use even by staff with little experience. Directional wheels drive Minitimba in each direction with the same easiness of a mouse. It is ideal for both finishing works and for levelling a screed. Light and easy to carry. Designed to work in tight spaces but its great effectiveness allows to work even in larger ones. The top handle improves the quality of work allowing to operate in a standing up position.

## TECHNICAL DATA

Model	Motor	Volt	Hertz	Amp	Speed Tools	Working Width	Tools Size	Dimensions LxAxP cm	Weight
MINITIMBA	1,5 Hp	110/220	50/60	7,4	1400 rpm	304mm (12")	2x140mm (5,5")	88x100x34	36 Kg
MINITIMBA VS	1,5 Hp	110/220	50/60	7	1000-2000 rpm	304mm (12")	2x140mm (5,5")	88x100x34	40 Kg

Under the radiators and in tight spaces. Ideal to work at the same level of the wall **Dual counter-rotating head**

## NEW directional system

Run the new MiniTimba along the wall has never been so easy!  
The levers on the handlebars allow you to give pressure to the right or left, and in conjunction with the movement of the two counter-rotating discs Ø 140 mm, the machine will move by itself without any minimum operator effort.

New guide anti-trace

Pivoting wheels 360°.

Connection for vacuum cleaner.

Easy to use

Removable front handle.

For a comfortably work
